**2.6.1 The Institution has stated the learning outcomes (generic and programme-specific) and graduate attributes as per the provisions of the Regulatory bodies and the University; which are communicated to the students and teachers through the website and other documents.**

## **RESPONSE:**

Subbaiah Institute of Dental Sciences (SUIDS) has set the Goals and Objectives and Competencies as stipulated by DCI and RGUHS as the Learning Objectives and graduate attributes for both BDS and MDS programs and has uploaded the same on the website. It diligently follows the same in its teaching-learning process to ensure the attainment of the desired attributes for a dental graduate.

The approach designed at the Institute conveys the methodology adopted to state and assess learning outcomes and graduate attributes of students. These include knowledge, skill, and attitude integrated for the holistic development of the students as prescribed by the RGUHS & DCI in their guidelines.

### **1. Knowledge and Understanding:**

The graduate should acquire the following during the period of training.
