### REPORT ON NEET prep COACHING

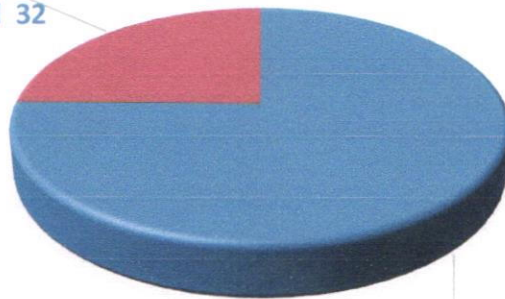

Subbaiah Institute of dental sciences conducted NEET PG coaching for the outgoing/interns' batch in the year 2023-24. This coaching was done to help the students understand the pattern of the exam and also to guide them through the subject difficulties. The coaching was done for 3 months and covered each subject topics by our college faculty. Each subject topics were announced before hand & the students were given week time to prepare for the topic & on every Sunday MCQ based exam was given on that topic.

Following the exam the papers were evaluated by the subject expert and the marks were discussed with the students. The faculty also highlighted & discussed the topics on which the students had to work hard. Furthermore, the faculty also guided the students with smart tips for cracking the NEET PG exam

Out of the total 97 students in the interns batch 32 students have enrolled for the coaching program. Verbal feedback was obtained from the students who attended the coaching and it was decided to conduct more such programs in the future.

## REPORT ON CAREER GUIDANCE

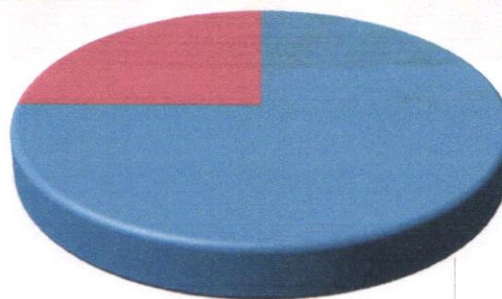

Subbaiah Institute of dental sciences conducted career guidance program for the outgoing/interns' batch in the year 2023-24. The program offered insights on various aspects such as clinical practice, academics, research, or specialization to the students. It also provided advice on opening a private practice, managing patient relationships, and enhancing business skills by our faculty & professional experts.

The program was held in the month of December for 2 days. A total of 35 students enrolled for the program. The students were given an opportunity to interact with the professional having private practice. Some of the students were given an opportunity to visit the practitioners clinic & assist them in routine dental procedures.

Alumni students of the college also guided the students in the career aspects. At the end of the program the students gave verbal feedback on the success of the program.
