INTERNSHIP ORIENTATION DAY REPORT 2023-24

The Internship orientation programme for the year 2023 was organised on 31th October.

Our Honourable Principal Dr.Suresh B.S , all the Head of the department and faculty members were present.

The guest speaker of the day Dr.Ramya, professor in Department of Microbiology addressed the gathering on the topic ‘ Biomedical waste management and needle stick injury ’ . Our honourable Principal informed the interns about the rules to be followed during internship and the various state - of - the - art facilities available in the institution and about the further scope in dentistry.

ANTI RAGGING DAY 12TH AUGUST,

ANTI RAGGING WEEK 12TH AUG TO 18TH AUGUST 2023

CELEBRATION REPORT

Ragging in Indian educational institutions is a pressing issue. It involves the hazing, harassment, and bullying of newcomers by senior students. Despite strict regulations and awareness campaigns, it persists, causing physical and psychological trauma. The government and schools continue to combat this menace, emphasizing a safe and inclusive learning environment.

The Indian government has taken several steps to combat ragging in educational institutions:

Legislation: The government has enacted laws like the UGC Regulations on Curbing the Menace of Ragging to prohibit and penalize ragging activities.

Helpline: A national anti-ragging helpline (1800-180-5522) was established to receive complaints and provide assistance.

Awareness Campaigns: Extensive awareness campaigns in schools and colleges promote the ill-effects of ragging and encourage reporting.

Anti-Ragging Committees: Institutions are mandated to set up anti-ragging committees to investigate and take action against offenders.

Strict Punishments: Perpetrators can face suspension, expulsion, or even legal action, making the consequences severe.

Counseling: Counseling and support services are offered to victims to help them cope with the trauma.

Online Reporting: An online portal allows students to report ragging incidents anonymously.

These measures aim to create a safer and more inclusive educational environment in India. "Educate, Elevate, Eradicate - Let's End Ragging for Good!" Anti-ragging programs often incorporate various elements such as lectures and poster presentations to raise awareness and prevent ragging in educational institutions. Here's a summary of a typical anti-ragging program:

For Anti-Ragging Day on 12th August, we have organized a day full of events, including awareness campaigns, guest lectures by renowned speakers, and interactive sessions for students. Our goal is to sensitize students about the harmful consequences of ragging and to promote a culture of mutual respect, kindness, and understanding among our student body. We believe that educating our students is essential in preventing ragging incidents and fostering a nurturing educational environment. During Anti-Ragging Week, which conducted from 12th august to 18th august 2023 we planned and conducted a range of activities to further promote anti-ragging. Antiragging activities will include

Title: "Respectful Campus: Say No to Ragging"

Lecture:

A keynote speaker, often an expert in psychology or social behavior, delivers an informative lecture on the psychological and emotional impact of ragging.

1. The speaker emphasized the importance of creating a safe and inclusive environment for all students.
2. Real-life case studies and examples are shared to illustrate the consequences of ragging on victims and perpetrators alike.
3. The legal implications and disciplinary actions associated with ragging are explained thoroughly.

Poster Presentations:

Students are encouraged to create posters that depict the harmful effects of ragging

Principal
Subbaiah Institute of Dental Sciences
NH-13, H.H. Road, Purle
SHIVAMOGGA-577 222, Karnataka

and promote anti-ragging messages.

1. The posters showcase powerful visuals and slogans that highlight unity, respect, and the negative outcomes of ragging.
2. Each poster presentation is followed by a brief explanation from the creator, fostering dialogue among students about the issue.
3. The best posters are awarded to encourage creativity and engagement in the anti-ragging campaign.

Interactive Discussions:

Small group discussions are held, allowing students to share their thoughts, experiences, and suggestions regarding ragging prevention.

1. Facilitators guide these discussions to brainstorm effective strategies for preventing ragging and promoting a positive campus culture.
2. Students are encouraged to reflect on their responsibilities in maintaining a ragging-free environment.

Pledge Ceremony:

The program concludes with a pledge ceremony where all attendees commit to upholding the values of respect, empathy, and inclusion.

Students, faculty, and staff collectively pledge to report any incidents of ragging and support those who may be affected.

Overall, this comprehensive approach to anti-ragging programs combines informative lectures, visual awareness through poster presentations, interactive discussions, and a formal pledge ceremony to create a strong message against ragging and foster a safer educational environment.

POST GRADUATE ORIENTATION DAY REPORT

Subbaiah institute of dental sciences organized Postgraduate (PG) Orientation Program on 15/12/2023 at 11am in lecture hall 2 of the dental college to introduce new PG students to the academic, clinical, and research aspects of the dental program.

The program commenced with a welcome address by Dr. Manjunath Badni. HOD & Professor Dept of Oral Pathology & lamp lighting ceremony by the Dental Director, Dr. Vinaya Srinivas Principal, Dr. Suresh B S & Vice principal, Dr. Mithun K M. Following the lighting ceremony Dr. Suresh B S gave a short speech on the code of conduct of the college, he also introduced the members of the code of conduct to all the students.

Furthermore, each department HODs introduced their staff & spoke about their respective specialties. A detailed presentation was given by the academic coordinator, explaining the structure of the PG dental program, clinical work, and the assessment system. Information on mentorship programs, peer support, and career guidance services was also shared. The program concluded with a vote of thanks by Dr. Shruthi M S. Professor, Dept of periodontics.

Overall, the event was huge success & provided a comprehensive overview of the curriculum, institutional resources, faculty introductions, and expectations for professional development.
