Subbaiah institute of dental sciences is aims on providing high quality treatment to all its patients. In the last year department of pediatric dentistry of Subbaiah institute of dental sciences has taken initiative to work towards improving the oral health of pediatric patients. The institution is located in a suburban area & is surrounded by many villages as a result of which many pediatric patients do not receive treatment properly. Our institution in the last year has become pioneer in providing preventive & comprehensive care to the children.
