The Subbaiah Institute of Dental Sciences (SIDS) in Shivamogga, Karnataka, in association with alumni actively engages in various community outreach and extracurricular activities, including dental screening camps and sports events.

### Dental Screening Camps:

The Department of Public Health Dentistry at SIDS regularly organizes dental screening and treatment camps to promote oral health awareness and provide services to underserved communities. Notable recent activities include:

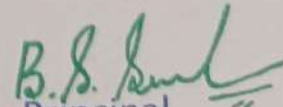

- **Bommankatte, Shivamogga:** A screening and treatment camp was conducted, offering dental check-ups and necessary treatments to local residents.
- **Shikaripura (September 24, 2023):** Led by Dr. Chethan J, Associate Professor in the Department of Public Health Dentistry, a screening camp was held to assess and address the dental health needs of the community.

### Sports Events:

SIDS places significant emphasis on the holistic development of its students by encouraging participation in sports and games. Key aspects of their sports initiatives include:

- **Annual Sports Day:** The institute organizes Sports Day and numerous competitions each academic year, fostering teamwork, discipline, and physical fitness among students.
- **Facilities:** SIDS provides a range of sports facilities, including a multi-gym, playgrounds for cricket, football, volleyball, and indoor games such as chess, shuttle badminton, carrom, and table tennis, supporting students' athletic interests and well-being.

These initiatives reflect SIDS's commitment to community service and the overall development of its students.
